SAID Uncle Sam: "I will be wise, And thus the Indian civilize: Instead of guns that kill a mile, Tobacco: lead and liquor vile, Instead of serving out a meal, Or sending Agents out to steal, I'll give, domestic arts to teach, A cake of 'IVORY SOAP' to each. Before it flies the guilty stain,

The grease and dirt no more remain; Twill change their nature day by day, And wash their darkest blots away. They'll turn their bows to fishing-rods, And bury hatchets under sods, In wisdom and in worth increase, And ever smoke the pipe of peace; For ignorance can never cope With such a foe as 'IVORY SOAP.'"
